### EVALUATIONS & PLACEMENT

Our curriculum follows USA Gymnastics guidelines. Lesson plans are progressive each term. Remember, Term 1 includes Session A, B & C. Term 2 includes Sessions D, E, F & G. It is best for students to participate in all sessions of a term for the greatest opportunity of success. Students have the chance to "advance" each term. However, some students will have to repeat a level two or more times. As a general rule of thumb, students will "move-up" at the end of a term if their instructor has determined they are ready. Advancement forms will be handed out in December and May. Preschoolers must turn the next age to advance.

\*School-age students will work on Star Posters each term to help them set goals and record their progress.

\*Preschoolers will receive a written evaluation each term.

### CLASS DEMOS & AWARDS

**Ribbons are awarded** Sessions A, B, D, E & F. Class demonstrations are scheduled at the end of Session C & G. Please register for these shows when registering for class!

**SKILLS & THRILLS: December 19, medal awarded! \$12/student**
