Current students are always guaranteed their place in class as long as payment is received for the next session during Closed Registration Week. Closed Registration week always occurs two weeks before the current session ends. *These registration dates are listed above.* Once this week has passed, your space in class is no longer guaranteed and we will begin taking Open Registration for new or returning students. Evaluations & Placement

Our curriculum follows USA Gymnastics guidelines. Lesson plans are progressive each term. It is best for students to participate in all sessions of a term for the greatest opportunity of success. Students have the chance to "advance" each term. However, some students will have to repeat a level two or more times. As a general rule of thumb, students will "move up" at the end of a term if their instructor has determined they are ready. Advancement forms will be handed out in December and May. Preschoolers must turn the next age to advance.

Class Demos & Awards

Ribbons are awarded Sessions A, B, D, E, & F.
Class demonstrations are scheduled at the end of Session C & G.

Skills & Thrills: Saturday, December 17th.
Medal awarded!

Trophy Classic: Saturday, June 9th. Trophy awarded!
